

Privacy Study Carrel

In
Stock

Dual cut outs in leg provides
easy cable management.

Route cables through the base for tidy cable management.

Privacy Study Carrel

- The Privacy Study Carrel provides private computer use. Ideal for libraries, testing areas, or anywhere else privacy is needed.
- Constructed with 1" thick panels finished in teak woodgrain laminate.
- Generous work surface measures 29 1/2"W x 23 1/2"D and includes a grommet for easy cable management.
- Black powder-coated steel frame. Legs feature dual cut-outs for easy cable routing.
- Optional light mounts under the top shelf to provide a brighter work area.
- TAA compliant.
